Re: Conservation Chemical Company of Illinois  
6500 Industrial Highway, Gary, Indiana

Dear Mr. McPhee,

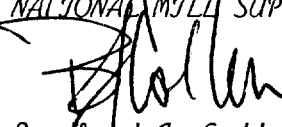

In response to your request for information from National Mill Supply, Inc., regarding waste disposal at the 6500 Industrial Highway site, to the best of our knowledge National Mill Supply, Inc.'s possession, custody or control of waste materials and the transportation, storage, and/or disposal of waste materials has never occurred relative to Conservation Chemical Company of Indiana or the 6500 Industrial Highway site.

National mill Supply, Inc. dba National Heat Treat prior to February 28, 1986 was classified by the State of Indiana as a low level generator of hazardous waste. National Heat Treat was sold to Acme Heat Treat of Fort Wayne, Indiana on February 28, 1986 and currently operates under the name of National Metallurgy.

Should you require any further information please direct your requests to Timothy Shields, President of Acme Heat Treat or to this office at my attention.

Sincerely,

NATIONAL MILL SUPPLY, INC.
